FCC WARNINGS

• Warning: Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

This device complies with part 15 of the FCC rules.

Operation is subject to the following two conditions:
(1) this device may not cause harmful interference, and
(2) this device must accept any interference received, including interference that may cause undesired operation.

ADDITIONAL WARNINGS

• WARNING: To prevent fire or shock hazards, do not expose this unit to rain or moisture.

• WARNING : Where the mains plug or appliance coupler is used as the disconnect device, such disconnect device shall remain readily operable.

• Lithium batteries, like all rechargeable batteries, are recyclable and should be recycled or disposed of according to state and local guidelines. They should never be disposed of in normal household waste, and they should never be incinerated, as they might explode. Contact your local government for disposal or recycling practices in your area.

• WARNING: This product may contain chemicals known to the State of California to cause birth defects, or other reproductive harm (California Prop 65). Wash hands after handling.

• This product meets and complies with all Federal regulations.

Features / Includes

Charging	Red Light
Finished Charging	No Light
Pairing Wireless	Flashing Blue Light
Pairing Successful	Solid Blue Light

Pairing a Bluetooth Device

If your device should become unpaired, or you find it is unable to connect normally, repeat the steps below.

1. Power on the unit by sliding the **Power Switch** to the **ON** position. The **Pairing Indicator** will begin flashing blue.
    (When pairing, remain within 3 feet of the unit.)

2. Using the controls on your Bluetooth device, select the **ISBW436** in your Bluetooth settings to pair. (*If your device requests a password, enter the default password 0 0 0 0 .*)

3. When successfully paired, the **Pairing Indicator will turn solid blue** and an audible chime will sound through the speakers. After initial pairing, the unit will stay paired unless unpaired manually by the user, or erased due to a reset of the device.

Playing Audio Wirelessly

1. Use the controls on the connected Bluetooth device to select and play audio and media. (*Audio from the connected Bluetooth device should now be heard through the earbuds.*)
